PMH Surgical Group offers General, Orthopedic and Podiatric Surgical Services. PMH Medical Center's expanded Surgery Center allows us to treat a broader range of cases, from same-day to in-patient. It ensures our patients greater comfort and privacy. The expanded Center offers increased access to area surgeons and specialists, and is now equipped with computer assisted surgery (CAS)
, the most advanced hip and knee replacement technology available anywhere today. The clinic is located on the second floor of the Valley Vista Medical Center.
